The Fox Federation Foundation is the charitable arm of the Fox Federation, an ambitious, collaborative family of schools in West London. We believe in the power of education to change lives. We are passionate about ensuring that children from disadvantaged backgrounds have access to the same transformative experiences as their peers. We aim to fund a wide range of enrichment activities, including access to high-quality music, extra curricular opportunities, school journeys and education visits, creative workshops, and mental health and wellbeing programmes.

We are aiming to raise £150,000 per annum to support activities classified in the below categories.
